It would have taken me longer to finally go to the nearest office supply store (10 miles from here) because I hate to go shopping. You can't imagine how thrilled I am to have received the labels this quickly even though I only ordered them the night before last! Thank you, thank you, THANK YOU!" - Renate Bates "We tried so many different waterproof label materials from different label companies and they all seemed to curl. Worldlabel quality labels were better for printing on waterproof and they seemed to lay flat." - Jessie Johannsen, Mezanni Nurseries "We were in a hurry for our labels. It was one of those last minute emergencies. Worldlabel had all the stock we needed and got the shipment out to us quickly. Saved us big time." - Robert DeHaas Mid-Pacific Logistics & Shipping Sciences "For years we bought name brand labels at large office supply stores until we found WorldLabel.com. As a mid-size Soap making company in the North East, we did tons of shipping daily. We are still astounded by how much money we are saving using a generic version." - Jennie Desantis from Joyful Bubble Soaps Co "If it's professionalism and variety you're looking for with labels, look no further! WorldLabel is the ONLY site you need to visit for labels of every size, color and purpose. You, your customers, and business won't be disappointed; I wouldn't have it any other way!" - Charlie Tompson, Print Viewtech "We were getting so frustrated. We started a small Soap making business, and Worldlabel steered us straight to the right label materials and how to design our own labels in-house." - Evelyn at Natural Black Soap Co Hello, First of all, THANK YOU for such prompt response. I sent an email with my issue and someone (I'm sorry I forgot his name) called within MINUTES. Ultimately my issue was completely resolved simply by changing the paper type to labels, DUH! (I'm not the sharpest knife in the drawer) I'm a happy camper now. Thank you so much for the incredible customer support!! Regards, Jeff from Advanced Manufacturing, Inc. We started our small Honey business, thank you Worldlabel, it was so easy ordering label sheets and start printing our designs from your template for the farmers market stand. The clear glossy looks amazing on the honey jars. Thank you again Joyce from Sweetest Clover Co.
