Japanese Ramen Taste  
繁盛店の味を食卓へ

Dry noodles, 2 meals inside

*Very Tasty Ramen appears without meat and egg!*

*You can feel Umami of the seafood and vegetables.*

**Made in Japan**

**We do not use meat ingredient at all.  
We use EGG FREE NOODLES!**

We have established a taste in soup stock of maximally drawer bonito and anchovy flavor of material.

We use fish sauce and doubanjiang and maximize the Umami of ingredient.

Special salt Ramen soup with Umami of the bonito and vegetables make rich taste. Because using natural sea salt, it become a delicious salt ramen.

This is Hakata style. White Tonkotsu soup with Umami of seafood and vegetables make rich taste. Thin and firm noodles are good for this soup. Sesame's nice smell is also good.

This is chewy flat noodles. Doubanjiang, lemon juice produced in setouchi and sesame oil are excellent compatibility. You can enjoy this Hyoshi Chuka, cold noodles, like salad with your favorite vegetable.

KURATA FOODS CO., LTD., make raw noodles, sells a dry noodle version of MEAT FREE RAMEN. There are 4 kinds of meat free ramen. You can keep 8 months. Every Ramen is different dry noodles and the texture is like raw noodles.

**These are perfect exporter items which considered import regulation measure!**
